TEAM CHECK-IN:

All individuals who enter the gym during an FFCC event must have one of the following in their possession to be admitted:

1. **FFCC issued credential –
FFCC Board, FFCC Judge, FFCC Staff, FFCC Hall of Fame, FFCC Team Director**
2. **Wristband on their wrist.**

This requirement includes all performers, floor crew, staff, directors, spectators, and FFCC personnel. There are no exceptions to this rule. Credentials must be from the current season and issued by the FFCC only. A credential from any other pageantry organization (WGI, SFWGA, etc.) does not allow you admittance to FFCC events.

Make sure that all parties affiliated with your team are aware of this rule and that they arrive at the show site with enough time available to purchase wristbands before your team performs. **Shows will run on schedule, to the minute, unless unforeseen events occur that cause delay. Shows will NOT run early.** The cost of wristbands will not be refunded if supporters miss the performance of the team they are coming to see.

CHECK-IN ON SHOW DAY

Team Directors may always bring their team and supporters directly to check-in if they wish to distribute wristbands that way.

1. Wristbands will be given to the team director or team director designee only. To designate someone else to pick up their wristbands for them, team directors can give their FFCC Director Credential to the individual going to check-in on their behalf.
2. When showing up at check-in, directors (or their designees) will inform the FFCC staff members at the table how many performers are performing at that day's show. This number must be equal to or less than the number of performers listed on the roster. **Also, this number MUST EQUAL the number of performers that the Timing and Penalties judge will count when your team is on the floor.**
3. Directors (or their designees) will sign out their wristbands with the FFCC staff at the check in table, and also sign a statement verifying they understand the consequences for declaring an inaccurate number of performers.
4. If you have members of your team, who are on the roster and in attendance at the show, but are not performing that day (injury, etc.), they should be included in your performer count for that day's show when you check-in. Then, when your ensemble takes the floor the team director should physically point them out to the Timing and Penalties

judge so the difference between performers declared at check-in versus performers who are on the floor that day can be reconciled without a penalty. Non participating members of the team should wear a uniform, warm up suit, or some other clothing that makes it clear to everyone that they are actually a part of the team.

5. Teams will be charged a 5 point penalty at that day's show for each performer wristband that was issued at check-in, but not worn by a performer. In addition, the ensemble and the team director will be immediately suspended from the FFCC, pending a hearing with the FFCC Board.

There have been many requests from FFCC member teams in the past to allow team directors to check in their teams without all performers being there. This new procedure is a way to allow directors to do this, while also protecting the FFCC financially from potential fraud and misrepresentations of performer counts.

Please contact an FFCC Board member if you have any specific questions on these procedures.
