Show Schedule

- Friday, March 27:
 - B & AAA Class Colorguard
- Saturday, March 28:
 - Cadet & AA Colorguard, Percussion & Winds, Solo & Duet Competition
- Sunday, March 29:
 - A, Open & World Colorguard

Vendor Locations

- Vendors are located in the large commons area (indoors) between the exhibit hall and main arena. Both of these areas are used on Friday & Saturday, and all concessions are also located in this space. All spectators and teams will traverse this space many times throughout the competition day.
- Vendor locations will be pre-assigned. Please do not move locations without permission.
- Vendor booth spaces are approximately 8'x8'. Vendors are provided with one 8ft table and two chairs. Additional chairs may be ordered in advance at \$5 each. If you are bringing your own tables, please be sure they fit in your space. Additional space may be available at an additional cost.

Vendor Rules & Information

- Booths must be reserved and paid in full by end of business on March 20, 2020, no exceptions. You may pay by check or credit card/Paypal.
- Electricity is a flat fee of \$62.50 (regardless of the number of days) and can be paid to the Ocean Center upon arrival.

- You will receive one parking pass that allows you to drive up to and drop off/pick up in the loading zone (map will be included). You may not park in the loading zone during the show day. Additional parking passes can be purchased on site (ask the parking attendant for an exhibitor pass, as this allows in/out privileges).
- Please have a tablecloth and plan to make your booth look professional. This event is the culminating experience for our teams, and one of the largest marching arts events in the country. We want our vendor area to be a professional space, not a flea market.
