

The FFCC asks for patience as we continue to work through the many details surrounding the cancellation of the remainder of our season due to COVID-19 and the current national state of emergency. We are currently working with local businesses, including our Headquarters Hotel, the Daytona Beach Hilton Ocean Walk Resort, to resolve this year's event, and to begin the planning of next year's Championships. The FFCC is proud to partner with the City of Daytona Beach, the Ocean Center, and its incredible event staff and appreciates their support throughout this difficult process.
